

Sexy And Sheer Lingerie Sets - Whatever Your Figure

Sheer Lingerie

Matching sheer lingerie creates a definite sexy look. Choose a bra and panties set in mesh or lace or perhaps a chemise and panties in a sheer nylon fabric. For a bold look, consider a sheer camisole with matching thong or g-string. Sheer lingerie is extremely popular in today's market, making it easy to create a set that works for you.

Bra and Panties Sets

Matching bra and panties sets are easy to find. Choices for these sets range from sheer lace or fishnet to more exotic lingerie options. Consider a velvet set for elegance or a cotton bikini set for flirty good looks and ultimate comfort.

Fun and Flirty

If your tastes run more to the fun and flirty than to the risqué, you will find matching lingerie sets that meet your needs. Consider a soft tank top paired with cute boy shorts. Or perhaps you would prefer cotton bikini panties matched with a halter top or sports bra. It is possible to find matching sets bearing fun patterns or cute logos.

Exotic Lingerie

If your tastes are on the exotic side, look for lingerie sets that are more unique. Consider a corset or bustier with matching panties. Look for fur trim, sequins or other exotic detailing elements on whatever lingerie items you select.

Finding Matching Lingerie Sets

Some lingerie is designed and sold in sets. Bras and panties are often sold this way. This is a great way to pick up some matching lingerie quickly and easily. However, if you would like to widen your options, consider putting together your own sets instead. Look for pieces that have something in common. Matching colours, design features and trim are just a few of the elements to look for when designing your own matching lingerie.

Accessories

In order to create a complete matching lingerie set, look for accessories that will complete the outfit. A sheer wrap in a similar colour adds both sex appeal and drama to virtually any lingerie set. For a flirty look, consider a short (mid-thigh or shorter) robe in a jewel tone silk or satin. Don't forget shoes. A pair of old-fashioned high heeled bedroom slippers adds a

beautiful touch to any matching lingerie set.

A matching lingerie set is a terrific way to add an element of elegance to your lingerie choices. Purchase sets that were designed to match or branch out to create your own set.
